## What is stopping you from landing the job you've always wanted?

Today, nearly 15 million people in the United States are unemployed. About 2 million people enter the job market from undergraduate and graduate programs each year. Without some advantage, those that are seeking employment will be wading into a sea of numbers that are overwhelmingly against them.

**Author, Speaker and Trainer, Joseph Logan, has a simple solution for solving the issue of unemployment...for those willing to listen, learn and apply his teachings.**

In his new release, *7 Simple Steps to Landing Your First Job*, Joseph Logan gives you a process for managing your job search, getting the support you need, and closing the deal. You'll learn invaluable tips that have worked for thousands of job seekers – tips that will get you from here to hired.

In a country where unemployment is at an all time high, Joseph Logan's goal is to help one million people find work in the United States and not just any work ... employment they will enjoy and feel good about for the long term. Whether you are looking to change careers, are one of the many millions that have been laid off or a recent graduate, you will benefit from Joseph's carefully laid out steps.

Joseph is the Here to Hired Expert for a reason. He went from working in a factory that built mobile homes to owning his own successful company. Because of his passion for helping others in the business world, he now specializes in assisting large organizations manage critical change and shows small businesses how a little bit of oomph can get them flying higher. Recently, Joseph published his first book, *7 Steps to Landing Your First Job*, an insider's guide to managing your job search, getting the support you need, and closing the deal. Not only does he travel the country helping companies and individuals, he is also a professional speaker, blogger and trainer.
